

Coloring Book Lesson Ideas and Folding Instructions

Introduction:

The coloring book is bilingual English and Spanish. It teaches color names and numbers in both languages. A blank by the word “page” provides a chance for practice writing numbers while seeing the numbers printed on the page. The Coloring Book can be printed on 8.5 by 11 – letter size paper. The only other supplies needed are crayons matching the colors and a pair of scissors.

Supplies

-
- 8.5 X 11 – Letter size paper
- Scissors
- Red, orange, blue, yellow, and purple crayons
- Optional: pencils
-

Lesson Ideas:

Fine Motor Skills:

- Folding – hand/eye coordination
- Scissors – hand/eye coordination
- Crayons - hand/eye coordination

Communications/Verbal/Literacy

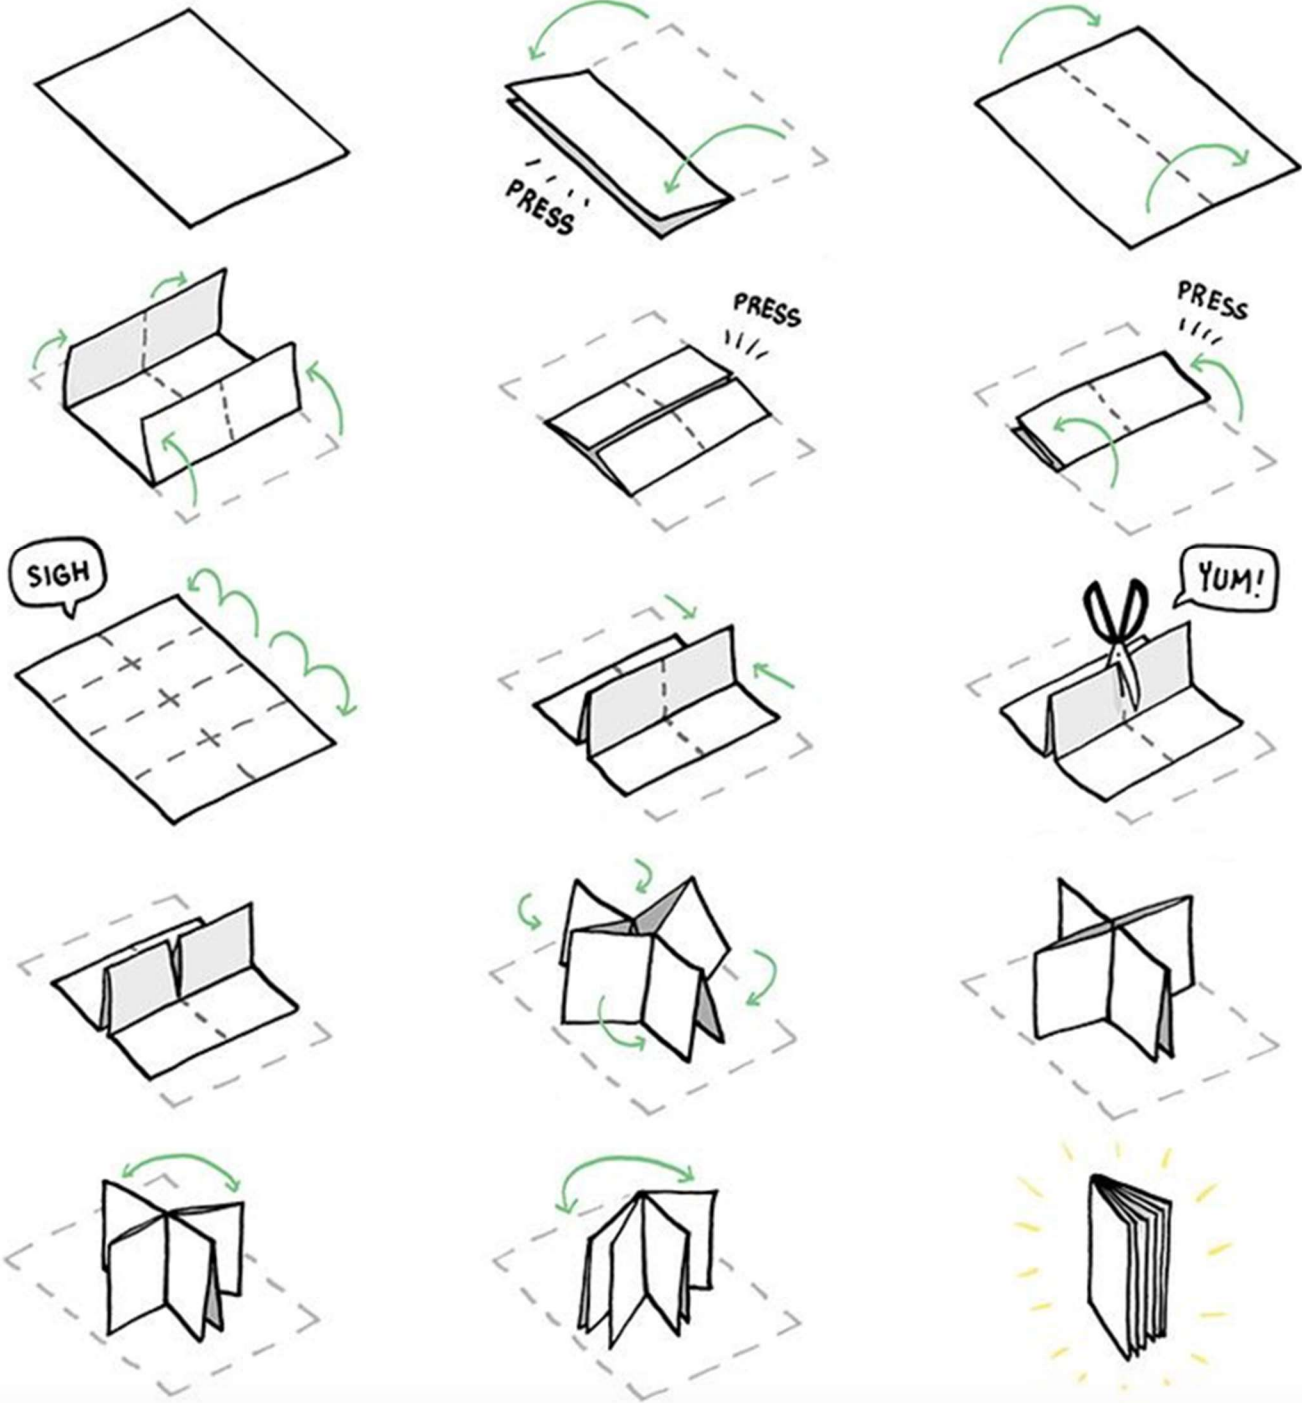

- Preliteracy – match color with word
- Math/Logic – number sequences and following step by step directions
- Symbols – matching written numbers/letters with the abstract represented

Social/Emotional

- Diversity – two languages: English and Spanish
- Culture – Spanish language use by other families and countries

Folding Instructions for Coloring Book
