# COMMUNITY HELPERS

A **Reporter** finds news stories in our community by asking people many questions.

She takes the answers to make a news story to tell everyone.

The news story would be played on TV and radio.

## This book belongs to:

A **Plumber** builds water pipes in our homes. They fix stuff like leaky sinks and bathtubs.

Plumbers use tools like wrenches and pliers fix leaky sinks and tubs.

plumber

**Bakers** make the bread for lunch sandwiches and cakes for birthday parties.

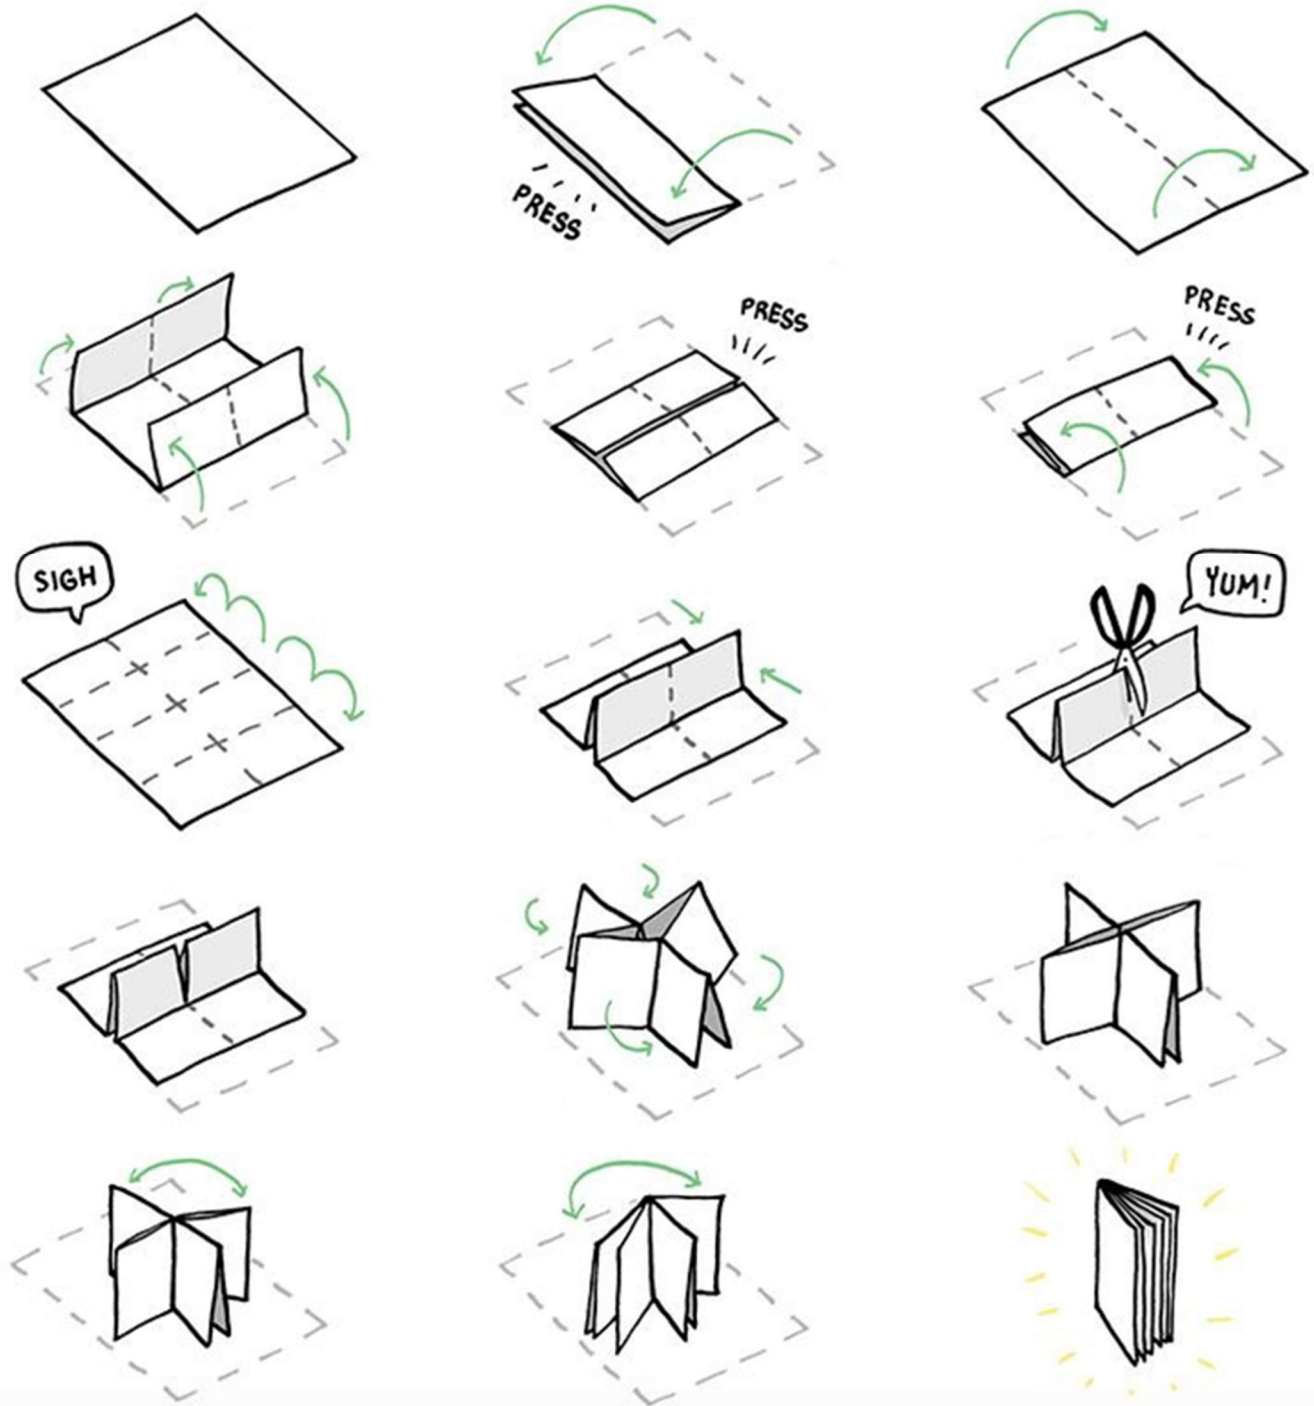

Bakers use mixers to make the bread dough and cake batter.

The dough and batter are baked in an oven.
