Turkey Trek Trot

Gross Motor Activity

Thank you for downloading this FREE resource at ChildCareEd! This activity can be printed out in either color or black/white. It is recommended to print out the cards, cut them into rectangles, and laminate in order to be reused and safe in young hands.

This is a gross motor activity that can be done individually, in pairs, in small groups, or large groups.

Materials:

1. Turkey Trek Cards (printed and laminated)
2. Corn image (printed and laminated)
3. Tape (to anchor cards on the floor)
4. Die (jumbo if available)

Directions:

1. Children will roll the dice and take the number of steps according to the number they rolled. The first person to reach the field of corn wins!

Extensions:

1. Children can walk like a turkey or hop their way instead of walking.
2. Use the empty Turkey Trek Cards to go beyond 20!

Celebrate with this engaging Thanksgiving-themed letter natch cards!
