

Child's Name: \_\_\_\_\_

Date/Time: \_\_\_\_\_

This is how your child...

Glows

Grows

What are the next steps in our classroom?

What can we do at home?

# Glow & Grow Conference Form

Thank you for downloading this FREE resource at ChildCareEd! This activity can be printed out in either color or black/white. This form is intended to help teachers write down key points about a child for parent-teacher conferences:

1. Glows - write about the child's strengths
2. Grows - write about areas of improvements
3. What are the next steps - write about strategies to be used in the classroom
4. What can we do at home - write about strategies parents can use with their children at home.
