Build-A-Snowman Activity

Build-A-Snowman Activity

Thank you for downloading this FREE resource at ChildCareEd! This activity can be printed out in either color or black/white. Print out the letter cards and cut them into quarters. The snowflakes can be individually cut out or into squares. For durability, laminate the cards and the snowman for repeated use.

Materials Needed:

1. Snowman sheet (printed and laminated, enough for a small group)
2. Build-a-Snowman cards (printed and laminated)
3. Buttons
4. sticks
5. Pipe cleaners or felt strips (for scarves)
6. Orange triangles (for carrots)

Directions:

1. Children will choose a card and build a snowman.

Celebrate with this engaging winter-themed activity!
