

My name is _____

Thanksgiving Lacing Cards

Thank you for downloading this FREE resource at ChildCareEd! This activity encourages scissor and fine-motor skills where children can either cut or rip squares from construction paper strips and glue them to the paper.

Materials needed:

1. Gingerbread man
2. Strips of colored construction paper (mostly brown, but other colors as well)
3. Child-safe scissors
4. Glue
5. Googly eyes
6. Red yarn (for the mouth)
7. Buttons

Directions:

1. Direct students to cut or rip squares and glue them within the lines of the gingerbread person. Afterwards, they will either write or dictate their Gingerbread Person's name.
