New Year's Counting Cards

Thank you for downloading this FREE resource at ChildCareEd! This activity can be printed out in either color or black/white. These number cards should be laminated so that children can write directly on the paper.

Materials:

1. New Year's Counting Cards
2. Counters
3. Decorations (e.g. pompoms, buttons, beads)
4. Dry-erase markers and erasers

Directions:

1. Children will trace over the number, write the word, count counters, and decorate the party hat with the same number.

Practice numbers and counting with this fun New Year's-themed activity!
