

# New Year's Firecracker Number Counting Activity

Thank you for downloading this FREE resource at ChildCareEd!  
This activity can be printed out in either color or black/white.  
This activity is recommended to be done individually or in pairs.

## Materials Needed:

1. New Year's Firecracker Numbers (printed and laminated)
2. Hole puncher
3. Pipe cleaners
4. Pony beads

## Directions:

1. Cut out the firecrackers and laminate them for durability. Use the hole puncher to create holes in the bottom of the firecracker. Affix pipe cleaners to each hole.
2. Children will string along the number of pony beads on pipe cleaners that they see on the firecracker.

Celebrate with this engaging New Year's-themed roll and graph activity!
